

President's Challenge 2011

Theme: *"Gems and Minerals"*

Arizona has a wealth of resources for this year's challenge. With the Tucson Gem and Mineral show highlighting some of the world's most fascinating treasures of the earth how could you not create a quilt with sparkle and flair? Will your quilt reflect Rubies? Diamonds? Or will it be Copper or Turquoise?

Rules:

1. Quilt may be pieced, appliquéd, or embellished, as long as it's 3 layers (top, batting, and backing and the layers fastened together.)
2. The quilt will be a maximum of 120" around it's perimeter. It may be any shape as long as it doesn't exceed 120".
3. The quilt MUST showcase (a) GEMS or MINERALS. It can be your interpretation of the same.
4. The quilt may be made by a single person or a group of people.
5. The Quilt Entry form will be included in the packet given to all members and will be available on line at the website as well. ***Entry form must be turned in to Kathy by October 13th, 2010.***
6. Quilts are due to President Kathy Harris by November 10, 2010. Quilts must be completed for voting at this time. All quilts must be in an appropriately sized pillowcase or cotton bag with identification securely attached. *Please, NO TUBES or HARD FRAMES.*
7. The President's Challenge quilts may NOT be entered in any other category in this show or any future TQG shows.

The quilts will be displayed and voted on at the December meetings by the membership and the President. 4 ribbons will be presented for member voting, (1st,2nd, 3rd and HM) and 1 ribbon presented for 'President's Choice' (awarded at Quilt Fiesta!)

Have fun!
